Secretary Haaland,

On March 17, 2023, the state of Utah (the "State"), the Utah School and Institutional Trust Lands Administration, and the United States Department of Interior entered into a Memorandum of Understanding - Exchange of Lands (the "Agreement"). The Agreement, in the "Purposes" section, provides that the Agreement "is not legally binding unless ratified by Congress." The Agreement has not been ratified by Congress and is thus not legally binding.

Section 8 of the Agreement provides that the Agreement may be terminated by either party prior to ratification by Congress. The state terminates the Agreement and withdraws from the land exchange outlined in the Agreement. All terms, provisions, and conditions of the Agreement are hereby terminated.
